

## FACE THE HEAT HEAD-ON

Skin care often steals the spotlight in summer beauty routines, but when it comes to harmful sun damage, it's just as important to protect your hair. **27 Hampton Salon** (27 Hampton Road, Southampton, 27hamptonsalon.com) owner **Bianka Lefferts** opens up her beauty arsenal, revealing her essential summer weapons for healthy, moisturized locks.

"This incredibly lightweight oil, which can be used on wet or dry hair, is blended with exotic extracts to moisturize, increase strength and enhance shine."

*Gold Lust Nourishing hair oil, \$48 for 100 ml, by Oribe*

"Frizz is one of the biggest summer hair woes. Tame it with Oribe's anti-humidity spray to keep blowouts sleek and curls intact. I keep the purse-sized can with me at all times during summer." *Imperméable Anti-Humidity spray, \$20 for 75 ml can, by Oribe*

"You have to be conscious of the sun's damaging effects. Kérastase's Nutritive shampoo and conditioner keep hair moisturized while blocking out humidity and protecting against the elements." *Nutritive Bain Nutri-Thermique shampoo, \$39 for 250 ml, and Nutritive Fondant Nutri-Thermique conditioner, \$42, both by Kérastase*

"This serum repairs damaged hair, bringing it back to a luxurious state in no time." *Initialiste Advanced Scalp and Hair Concentrate, \$60, by Kérastase*

"For curls, using this styling gel and leave-in conditioner will give you the perfect beach strands." *Tress Effects styling gel, \$48 for 33.8 oz., and Moisture Lock Leave-in conditioner, \$69 for 33.8 oz., both by Ouidad*
